Upload

Instructions & Tips

Use MP4, MOV, AVI, or WEBM formats; Streamlined 1080p HD preferred; Max size of 500MB; or 30 mins duration.

1796 x 896 px recommended for optimal quality; for landscape, 16:9 ratio; Portrait: 9:16 or square: 1:1 are accepted.

Ensure clear audio; No excessive noise or distortions; Ensure clear speech or relevant soundtracks instead.

Check final edits & exports; Be sure to capture intended content; Review for quality; Use presets for best encoding settings; Familiar codecs H.264/MPEG-4 AVC for broad compatibility.

If multi-camera, sync prior to upload; Use one camera for cleanest look; Engage presence to maintain viewer interest.

Clearly convey theme; Common sense topics are neutral; Use essential tags for RELEVANT discoverability.

Weekly summary

Theme Options

Light

Bright and neutral appearance with a white background and black text. Ideal for well-lit environments.

Dark

Muted aesthetic with a dark background and light text. Easier on the eyes in low-light conditions.
